

# The Hospice Bill Fishing Tournament

## About the Tournament

Trustbridge Hospice Foundation invites you to participate in the virtual “Bill” Fishing Tournament. Community leaders will turn into virtual “Anglers” and cast their fishing lines to reel in the most bills (minimum of \$2,500 for each Angler) by hooking their friends, family and colleagues for donations.

On August 20, 2020, all of the Anglers, event sponsors and their guests and anyone “on the hook” for a donation, will join together at the virtual Weigh-In Party to see which Angler reeled in the biggest catch (donation). All Anglers, sponsors and sponsor guests will also receive a VIP Cooler containing a tech shirt and unique beverages and treats, prior to the Weigh-In Party, as a thank you for their participation and support.

## About The Anglers

Each of the Anglers are “Hooked on Hospice” and represent Board Members, Corporate Executives, Community Leaders and Philanthropists. Anglers will be provided an online fundraising platform with a wealth of tools including:

- ◇ Personal Fundraising Page
- ◇ Social Media Posts
- ◇ Email Templates
- ◇ Text Templates

All proceeds benefit Trustbridge Hospice Foundation.
